Dear Brian,

Please find enclosed cheque for payment of lot 47 Daly Boulevard, Highton.

We have just received the final settlement from the solicitors and as soon as the accountants work out the GST we should have a final profit figure which is currently estimated at over . A fantastic result but not surprising considering the quality of home that Hamlan builds.

Once again, sincere thanks and appreciation to all at Hamlan Homes for their work and support on this wonderful project that will provide vital funds to over 50 health and welfare organisations in Geelong.

It has been a pleasure working with the Hamlan Homes and we look forward to maintaining a mutually beneficial relationship for years to come.

Yours sincerely.
